WAAAAH!

AAAAH!

AAHHH!

Yea,
you can
choose.

You can
choose
where we
go next.

Going
home isn't
an option?

A place
where I can
rest would
be...

Tired?

Can't
you see
....

Haunted House

How about there?

Exit

Entrance

DON'T
LOOK AT
ME WITH
THOSE
EYES!!

Huh?
What's
wrong?

Your intentions
are too obvious.

Pervert.

Aa, I wasn't
really thinking of
having skipship
with Narae while
she's feared...

I was
expecting it
a little...
Why Rangii?

I WILL
DEFENITLEY
GO WITH
SUNGHOON!

We have
to go in
as pairs.

We're a
group of 4,
so we have
to pick a
partner.

Well, I did
pick the
haunted house
so I could
rest a bit...

but I was
never really
surprised at
things that
pop out.

What's
wrong?
Are you
scared?

Do not worry,
I will protect
you!!

a tiger that's
scariier than
any ghost,
maybe that's
the reason.

Well, if I
think
about it
now,

as a
child, I
did meet
Rangii,

TN: I'm more interested in the Narae + Saehee pair than these two.

Now loading.....

NYAAAAAH!

Then
should we
go in?

Yea!

KYAAA
!!

HNYAAAHH-!

HNYAAAHH!

Don't bring
children into
haunted
houses.

Today's
lesson.

I guess
I've got no
choice.

Hnyah?

Yea.

C...can
we?

If you're
scared, should
we go back?

N,n,n,no.
I'll stay
till the
end.

Understood.

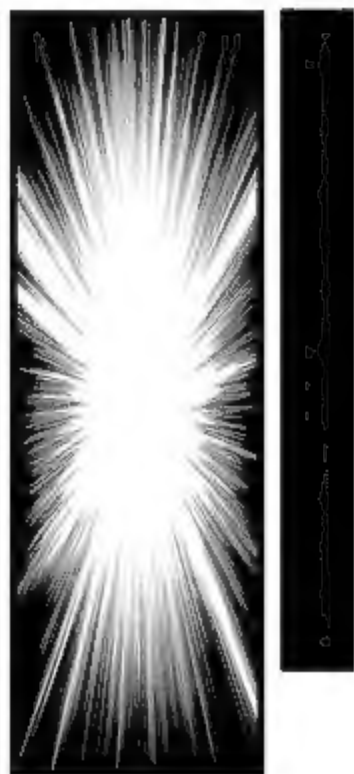

Rangii,
we're
finally...
out...huh?

Whew~

Finally
out...

Ah~ that
was fun.

YOU'RE
ASLEEP?

ZZ
ZZ

TN: I knew Narae+Saehee pair would be more fun to look at.

It's
already
over...

A triple date
with Rangii,
Saehee, and
Narae...

It was
tiring to
carry you.

but how did
you fall asleep
so fast on my
shoulders?

Rangii, you
were scared
of the
haunted
house,

Why is
that?

hm...

I get I couldn't
drowsy when help it.
I lean on
you.

Am I some
kind of
anesthetic?

Wait, I'd
like to hear
the details.

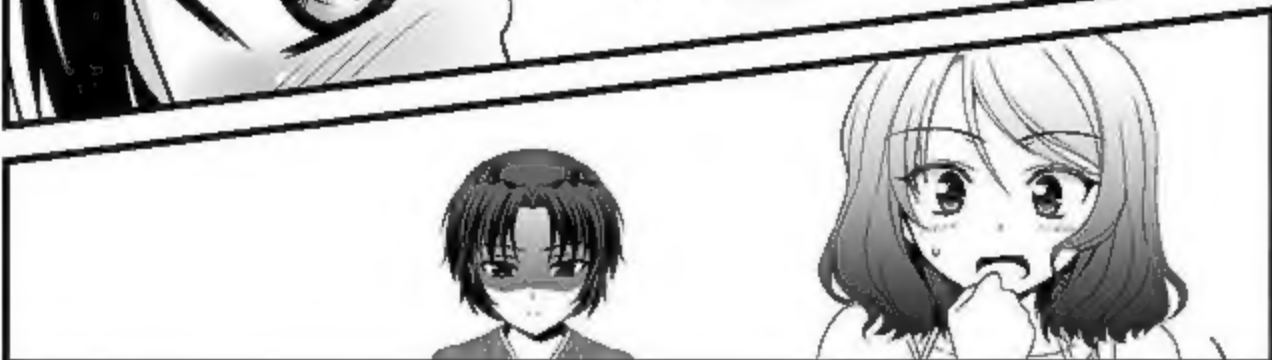

Ho~

Oh
shit.

*What do
people*

call it?

TN: She supposedly says something, but it's not written.

Y, you
...
isn't
that
....

This brat,
does she
know what
she's saying
right now?

That's
why,

I'll do
this.

Ah, we're
falling,
falling!

Hey, hey,
what are you
doing in the
middle of the
street?

... is
that so.

They're
here.

Faster than
anticipated.

It doesn't just have to be manhwa, or web-toons. I'm fluent in both korean and japanese, so manga is fine.

Also if anybody has any idea how other groups remove text on the pictures... hit me up with that info. It pains me to just put a white box over it everytime.

I'll work as fast as I can, but sometimes I'm busy, so if I can't do daily releases please understand.
